Dwayne & Uchenwa Genus  
Genius Nation

Dear Dwayne, Uchenwa and Team,

On behalf of the Jamaican Canadian Association, I wish to convey a sincere thank you for partnering with our organization on a very successful virtual math summer camp. The overwhelmingly positive survey results are a testament to the great work you and your team did over the course of the program.

The pandemic made it more urgent to find creative ways of engaging students and build on their skills. Your approach, patience and passion for math and learning ensured students remained engaged. Your willingness to give back to the community is admirable and aligned well with our values.

The JCA wholeheartedly supports Genius Nation and looks forward to partnering with you again in the future.

Regards,

Adaoma Patterson  
President
